

COMMUNITY SERVICE FORM

As a part of *The Future Begins Today* Grant program, students receiving a Last Dollar Grant are responsible to do **15 hours of service within the Troy, Ohio community** each school year in which the grant is received. This service may be done for an individual or for a Troy organization. **It will not be counted if there is payment involved or if the student is given credit for the service as part of another program or as part of a school requirement. Students who are entering their senior year are expected to complete community service before January 1st. All others must have their community service completed before future awards will be granted.**
